Instruction for getting **a National Certificate**

National Certificate is a digital proof that a person has either:

- Been vaccinated against COVID-19:
  „Comirnaty" or „Moderna" vaccine and 1 week has passed since the second dose of vaccine.
  „Janssen" vaccine and 2 weeks has passed since the only dose of vaccine.
  "Vaxzevria" vaccine and 4–13 weeks has passed after the first dose of vaccine or a person received a send dose of vaccine;
  have had coronavirus and 2 weeks has passed since the first dose of any vaccine.
- Been tested and have a negative test result (antigen or PCR) – it is valid for 48 hours (antigen test) or for 72 hours (PCR test) after the sample is collected.
- Recovered from coronavirus and maximum 210 days have passed from the positive testing.

Frequently asked questions (FAQ) about the National Certificate

1. To get the **National Certificate**, type in the browser window https://gpasas.lt/. Read the Rules and Conditions and tick the box if you agree with them. Click "Confirm your identity":

2. Confirm your identity using the e-Government Gateway platform (through a e-bank or using electronic signature).
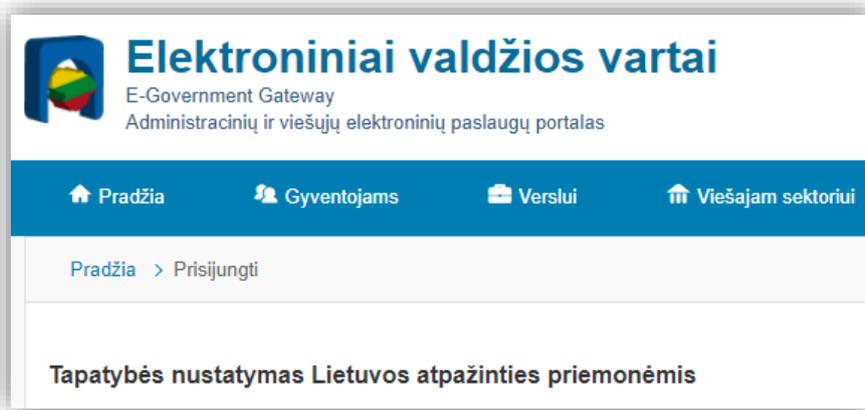

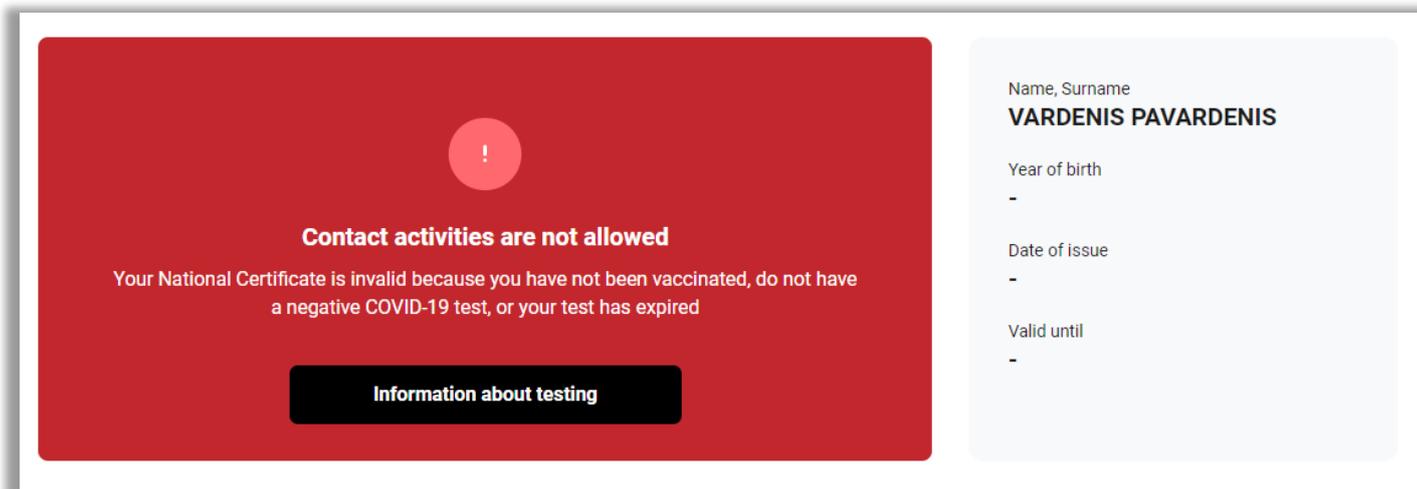

3. Once your identity has been successfully verified, you will see on the screen if you were issued the **National Certificate.**

If you have been issued the National Certificate, on the screen you will see a text on a green background "Green National Certificate", your name, year of birth, date of issue of the National Certificate, its expiration date, and QR code, which will be needed to verify the **National Certificate**:

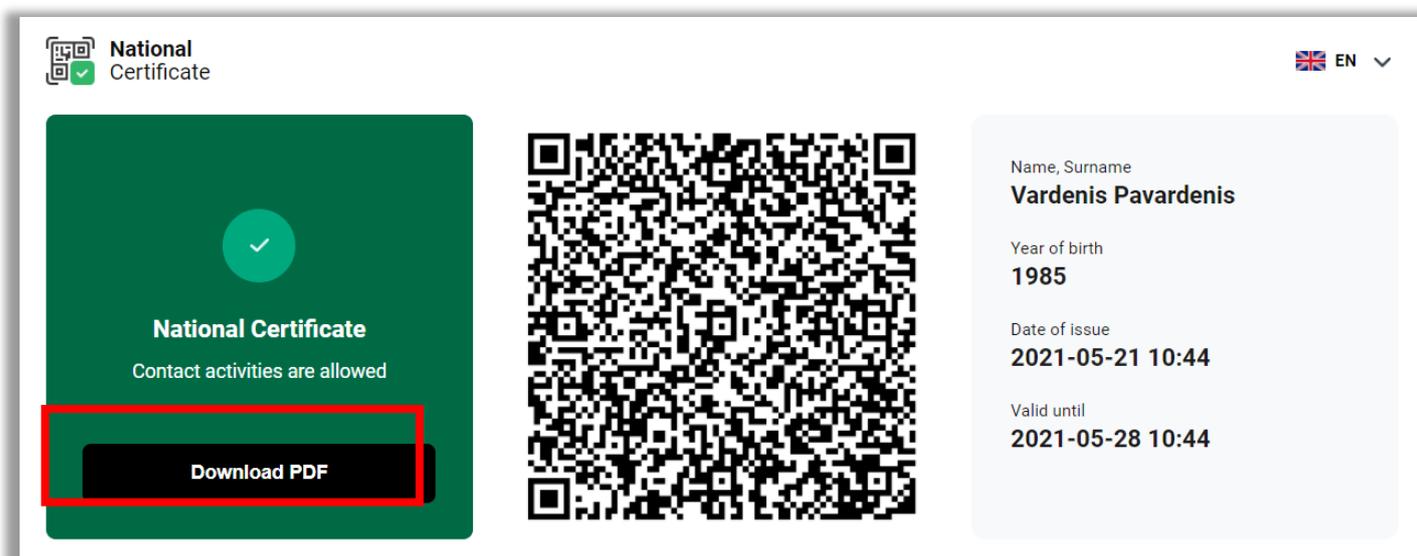

If the National Certificate has not been issued to you, you will see a text on a red background "Contact activities are not allowed":
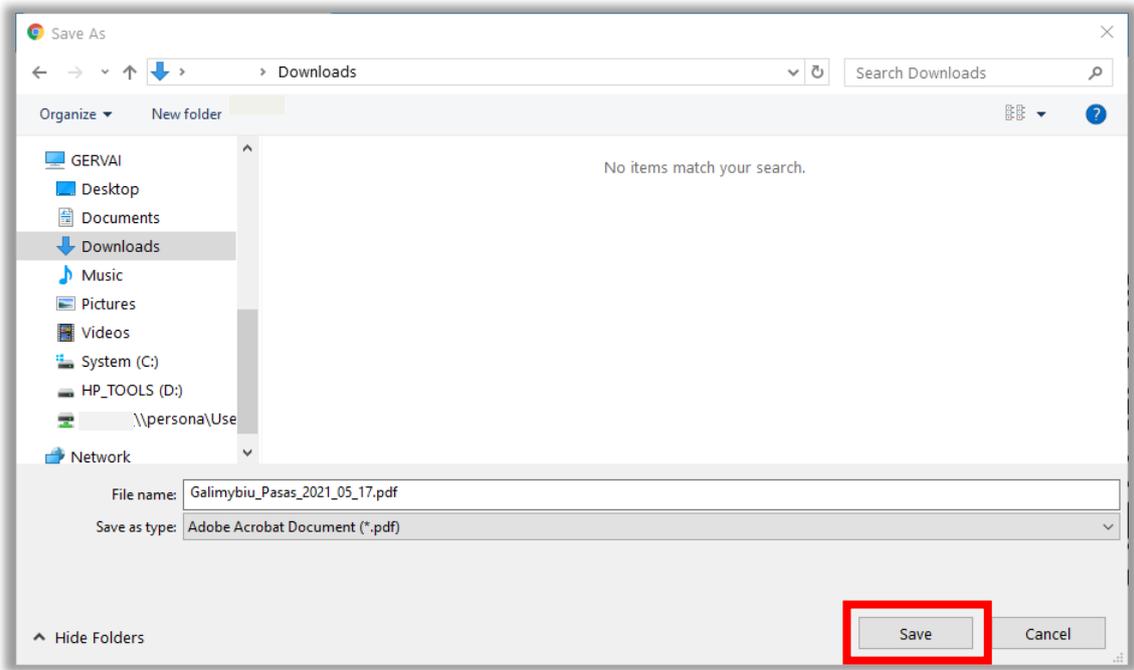

Contact activities are not allowed

Your National Certificate is invalid because you have not been vaccinated, do not have a negative COVID-19 test, or your test has expired
